** The Earnings Coverage Ratio, the Quarterly Return on Average Assets (annualized), and the Quarterly Return on Average Equity (annualized) for quarter-end June 30, 2020 were adjusted to exclude \$92.2 million, net of tax, of provision related to the initial allowance for credit losses recorded for the acquired Non-PCD loans and unfunded commitments resulting from the acquisition of CenterState Bank. The initial one-time provision for credit losses recorded in June 2020 is the result of the new accounting treatment for expected credit losses under the Current Expected Credit Loss Standard (ASU 2016-13).

Note: CenterState Bank Corporation merged into South State Corporation on June 7, 2020. The second quarter of 2020 results noted above reflect the financial ratios for South State Bank (new merged bank) while historical results for the previous quarters reflect those of CenterState Bank.
